

PARENTING, CULTURE AND RELIGION

This 1-day training is for practitioners working directly with families. It enables them to build successful relationships within a diverse community and to work effectively and respectfully with families from a variety of different backgrounds.

LEARNING OUTCOMES FOR PROFESSIONALS

- ✓ Considering how cultural issues impact on parenting and the implications for practice
- ✓ To explore how the foundations of The Nurturing Programme link to parenting, culture and religion
- ✓ Increasing self-awareness regarding issues relating to culture
- ✓ Exploring the difference between religion and culture
- ✓ Reflecting on helpful skills and qualities to enhance practice

TESTIMONIALS

"The training inspired me to look more into family dynamics and try to understand reasons behind certain practices."

"I thoroughly enjoyed the training. It will be very helpful in my practice as I work in a very diverse area"
